- Green upgrades coverage available

Flexibility

Find the right coverage for your property with our customizable and flexible product to meet the needs of your office. From business income to water loss, and everything in-between, ICAT can get you the coverage you need.

Stability

The ICAT Commercial Earthquake product is written on behalf of a diverse line up of strong, A rated carrier partners including Victor Insurance Exchange, Lloyd's of London Syndicates and other domestic partnerships.

Claims

Founded in 2005, Boulder Claims is a wholly-owned subsidiary of ICAT and provides comprehensive claims services on claims from policies underwritten by ICAT. Boulder Claims prioritizes fair and quick settlements, and has successfully issued over \$3.4B in payments.

About ICAT

ICAT is an elite provider of catastrophe insurance, and this has been our sole focus since 1998. With over 25 years of experience, you can feel secure knowing ICAT is here to stay.

Nearly 75% of the US could experience damaging earthquake shaking, according to a recent US Geological Survey-led team of 50+ scientists and engineers.¹
